

## 2026-27 Audition Guidelines: HORN

Auditions for the Greater Twin Cities Youth Symphonies (GTCYS, pronounced git-seez) are opportunities to play your instrument and submit a short, recorded video so we can place you with one of our 11 incredible school-year orchestras! Because of GTCYS' multi-level orchestra structure, almost every student is accepted!

### WHAT TO PREPARE

The next pages of this packet list the required scales and excerpts for each playing level. Once you decide which level best fits your abilities, prepare:

1. All the **scales** listed for your audition level. Minor scales can be performed in any form (natural, harmonic, or melodic), unless otherwise stated.
2. **Solo**: Prepare a piece of music (solo, etude, school ensemble music, or similar) that demonstrates your best playing abilities, that's no longer than 3 minutes. Record without piano accompaniment. Select a shorter section to fit the time limit if needed.
3. All the **excerpts** (short selections of music) listed for your audition level.
