WHAT TO PRACTICE FOR YOUR AUDITION

SCALES
- Prepare and record all scales listed in your audition level – use the listed tempos as a guide.
- Scales are written out for some levels - you can choose any articulation.
- Minor scales can be performed in any form (natural, harmonic, or melodic), unless otherwise stated.

SOLO
- Prepare music that demonstrates your best playing abilities. Selections can include solos, studies, school ensemble music, or other works.
- **Your recorded solo should not be more than 3 minutes in length.** If needed, please choose a shorter section of your solo to fit this time requirement.

EXCERPTS
- Excerpts are short sections taken from larger pieces of music.
- Prepare all excerpts listed in your audition level and follow all markings.
- Look up or translate any unfamiliar musical terms to ensure a successful performance.
- Listen to recordings of excerpts (when available through YouTube, Spotify, etc.) for guidance with tempos, musicality, and phrasing – your excerpt performance will be judged on all artistic merits, not just note accuracy.

WHAT HAPPENS AFTER AUDITIONING
- Local professional musicians will listen to your recording and you will be placed in an orchestra based on your audition performance. Other factors such as instrumentation needs may be considered as well.
- The audition level you choose to prepare does not ensure placement in those orchestras; placements are based on the overall quality of your performance.
- GTCYS makes every effort to offer all students placements; if you are placed in an orchestra that has too many of your instrument then you may be placed on a waitlist.
- **Tuition assistance and support for private lessons is available.** GTCYS is committed to serving young musicians regardless of financial constraints. Interested families can find more information at gtcys.org/auditions.
- Previous participation in GTCYS does not guarantee placement and all placements are final.
